Dear East Precinct Community –

You are invited to participate in the [SPD Micro-Community Policing Plans](#) Community-Police Dialogues which will be lasting through the end of August of 2024. These dialogues are not the same as the Before the Badge dialogues, as they include a much larger range of SPD personnel and will discuss public safety in a more general sense.

The purpose of the dialogues is to provide the opportunity for the Seattle community and police to discuss the [Results of the 2024 Seattle Public Safety Survey](#) and your current public safety concerns.

Community members and Seattle Police personnel including recruits, officers, command staff, crime prevention coordinators, community service officers, and administrative professionals are invited to attend.

[SIGN-UP HERE](#) to participate in the MCPP Community-Police Dialogues!

*The East Precinct Dialogue is coming up on May 12th! The West Precinct will have another MCPP CPD dialogue on June 30th, 2025.*

[ All dates are listed below | Sessions are on Zoom from 5:30 to 7:30 pm! ]

You will receive an email with the link to join the Zoom prior to the meeting (if you do not, please reach out to me).

Everyone who lives and/or works in Seattle is invited to join!
